Dear Sir/Madam,

I have pleasure in writing a reference for Flo Harrison. I have worked with Flo over the last 3 years at the school where she has been a high performing and enthusiastic student and participant in the co-curricular program. Flo brings a positive attitude to her studies and extra-curricular activities alike.

Flo is a respectful, reliable and capable young woman.

Flo has always been a popular member of all group tasks and team based activities, where her enthusiasm, talent and communication skills were obvious. Without question she would be the most talented Field Hockey goalkeeper that I have worked with in the Hockey program at the school over the past 2 decades.

Flo is equally adept at working, training and performing independently as she is as part of a team environment.

I know Flo is keen to learn and to continue to work hard on her skill development. Her positive attitude and ability to work well both independently and in teams will stand her in good stead for the future.

In the short term, I wish her well and recommend her to you.

Yours sincerely

Eddie Roscoe
