Re. Reference Florence Harrison

To whom it may concern,

I am writing this reference, as I currently have the pleasure of coaching Florence Harrison for Camberwell Hockey Club in the Metro Womens division within Melbourne, Australia. Florence is a highly talented and committed individual who only wants to improve and progress her hockey career. Florence is seen as a young talent within Camberwell Hockey Club and was awarded the Coaches Award last season (2018) for her ability and consistency within the junior division.

This is Florence's first season playing in the women's division, however she filled in several times for first grade and second grade teams while she was a junior in 2018. Florence is a highly valued and respected member of the women's metro team and she has built a positive rapport with all team members. Her organisation and punctuality cannot be faulted, she is always the first to arrive and the last to leave.

Florence has a complete sprit on the field and is continually motivating and inspiring others to play their best. Florence is a pleasure to coach and with her positive demeanour and attitude she will be successful in whatever she puts her mind to.

I therefore highly recommend Florence to be considered in your application process and if you require any further details or information, please do not hesitate to phone or email Camberwell Hockey Club.

Yours Sincerely

Edwina Gadsby
Womens Metro Coach
Camberwell Hockey Club
