To whom it may concern,

My name is Luke Bourgeois - Director of Voyager Tennis Academy & former professional player. I'm writing this letter to provide reference for Dario Kmet.

I have had the pleasure to have known Dario for the past 7 years. Dario joined our Voyager Tennis Team as a young and energetic 12 year old. From the outset it was clear to see that Dario possessed a passion for tennis. His passion shone through early with his work ethic, energy, competitive spirit & his willingness to learn.

Personally, it has been very rewarding to see Dario evolve over the years. Dario has been able to add to his already strong characteristic traits as a young boy by becoming a positive, resilient, confident young man. Eventually becoming a clear leader of our Team where we were crowned Australian Schools Champions & competed at the World Schools Championships.

These champion qualities extend beyond the court. In all experiences with Dario and his family have been positive. Looking ahead, Dario's presence will be sorely missed in our team as he moves on to the next stage of his journey.

I have no hesitation in saying that Dario would be a valuable team member for any team or school. I'm confident that given the opportunity and right environment, Dario will go on to do great things both on and off the tennis court.

Should you require any further information, please feel free to contact me.

Kind regards,

Luke Bourgeois
