BASKETBALL PROGRAM

LETTER OF REFERENCE - JACK WAGNER

To Whom it May Concern,

It gives me great pleasure to write this recommendation for Jack Wagner.

I hold the positions of:

- Junior Representative Chairperson, Toowoomba Mountaineers Basketball
- Junior Representative Coach, Toowoomba Mountaineers Basketball
- Toowoomba Grammar School Basketball Coach
- Senior Representative Coach, Toowoomba Mountaineers SBL Mens Team
- Member of the Toowoomba Mountaineers Senior Management Committee

I have known Jack for three years and coached him as a Toowoomba Junior Representative basketball player, and Toowoomba Grammar School Open and First V Team basketball player.

As a Coach, I am always grateful for those players with an inherent desire to improve their basketball knowledge, and who are willing to listen to feedback and implement necessary changes. Jack is one of those players and consequently, his contributions on the court continue to evolve, particularly in terms of his shooting accuracy and basketball intelligence.

He has incredible enthusiasm for the game and I have observed his consistent contributions to a unified and positive team culture.

He has an excellent work ethic, accepts responsibility and is extremely respectful to his coaches. He demonstrates maturity in his interactions with team mates and team officials, and has always represented Toowoomba with the spirit of good sportsmanship.

I commend Jack on his determination to continue with his development as a player and wish him all the very best on his basketball journey.

Please do not hesitate to contact me if you would like to speak in person, or if I can be of any further assistance.

Kind Regards,

D. J. Allen
