Peyton Jewell

COLLEGE REFERENCE

We are pleased to provide this official College reference for Peyton Ivy-Rose Jewell who has been a student at Lourdes Hill College for five years from 2013 to 2017.

During this time, Peyton has shown herself to be a vibrant, committed and enthusiastic learner, achieving consistent results across a range of subjects. She is always prepared to work hard to achieve her goals and willing to participate in classroom activities in a positive and thoughtful way. Her commitment to learning and willingness to work are very promising indicators for future success.

Peyton demonstrates the capacity to gain the confidence of others and interacts in a mature and responsible manner with all members of the College community. She actively promotes positive relationships founded in respect and compassion, willingly participating in Home Group, House activities and whole school undertakings. Peyton has made a great contribution to the College through her involvement in rowing over the past five years and the College Open Day. She also demonstrated commendable leadership qualities when she was elected as Home Group Representative in 2016. In this role, she encouraged other students to participate in House activities and demonstrated initiative and an organised approach to the role.

Peyton relates to others in a caring and genuine fashion. She is respectful, has a good sense of humour and conducts herself in a dignified and refined manner. Peyton fully complies with the College's expectations of good behaviour and consistently wears her uniform with pride. Her honest and level-headed approach to life are fine personal qualities.

It is with pleasure that we highly recommend Peyton and wish her well for the future.

Yours sincerely,

Kath Perrier
