

Dear Sir/Madam,

I am writing to you as a referee for Brentyn Muir.

I have known Brentyn for four years (2015 – 2018) in my capacity as Head of School House at The Hutchins School, Hobart, Tasmania, Australia.

In this time, I have seen Brentyn develop into a fine young man. He is confident and backs himself in all situations, whilst showing a caring attitude towards others. He understands what it means to enjoy a good lifestyle balance, being both very academic but also enjoying his sport. He has excelled in soccer and rowing whilst at The Hutchins School.

Brentyn has displayed a good level of community service within the House, always being happy to help out when asked. He is a fine role to the younger students and influences them in a positive way. I have enjoyed working with him on many in house projects over the years.

I have no hesitation in recommending Brentyn to your institution and am of the belief he will be an asset for you in the years to come.

Your Sincerely,

Martin Chambers, B.App.Sci, M.Ed, MBA, MACS (snr)
