

12th September 2016

To Whom It May Concern

Millie Khoury is a student at The McDonald College, having enrolled in 2015 as a Year 11 student and continuing on in 2016 to complete her Higher School Certificate (HSC) as a Year 12 student. In this time she has developed into an enthusiastic and conscientious student.

Millie has performed consistently in her chosen HSC Subjects – English Standard, Drama, General Mathematics 2, Biology and Business Studies. Her attitude to work is positive and she has shown herself capable of meeting the demanding requirements of the HSC assessment schedule.

Millie is passionate about Tennis and is involved in the Elite Tennis Program provided by Voyager Tennis. She trains daily whilst balancing her academic commitments and responsibilities as well. This is a testament to her organisational skills and the pride she takes in meeting all her due dates.

Millie is a well-presented young lady whose intelligence and practical skill will be an asset to any institution. She has been a popular student at the school, both with her peers and teachers and this will ensure she can integrate into any work or tertiary community.

Please do not hesitate to contact me for further information.

Kind Regards
